19" cable management panel with front flap, 1U, black

LogiLink 19" cable management panel with front flap, 1U, black:

The patch panel with cable management space and removable front flap provides optimal access from the front and cable feed from the rear. It is ideal for organizing fiber optic cables and copper patch cables in the 19" cabinet. The robust construction ensures clear and stable cabling of your network rack. The removable front flap allows convenient access to the patch cables.
